

# NORTHERN CALIFORNIA GEOLOGICAL SOCIETY

## GEOSCIENCE TEACHER AWARD - \$500

Application Form 2009-2010

Name \_\_\_\_\_

School \_\_\_\_\_

Email/telephone \_\_\_\_\_

TITLE OR TITLES OF UNITS TAUGHT OR TO BE TAUGHT DURING SCHOOL YEAR 2009-2010. Attach a separate page description of each unit. Include in the description(s) the dates taught or to be taught. The description may be free form except that there should be a statement of objectives and evidence, where relevant, of correlation with the State Science Framework. There should be some consideration of ongoing benefits to the curriculum, possible integration with other course work, and usefulness to other faculty. Closing date for receipt of the application is **January 18, 2010**. Applicants will be notified within a week thereafter and the award will be presented at the **February 2010** meeting of NCGS in Orinda.
